We get a look at the last days G'Odd spent in Portland before his recent return, and the path that took him ultimately, to Dallas.

After the short lived "Mecca tv", there next came, "G'Odd tv". One feature was an interview with the "Ancient G" who appeared on the Jail Fail album.

And finally...

ODD PDX Episode 2 **"Regret in Abundance"**

part two of how G'Odd came from Arkansas to Portland. He seems to have narrowed it down to the place, leaving just a couple possibilities for the who. Now it seems like another G'Odd, or even others, may be trying to beat him to Portland, and leave him with only "Regret in Abundance".
